"SCHEDULE A"

This Schedule "A" forms part of, and is valid only, if attached to Development Permit # 2026-46.

The following conditions apply:

1. That the applicant/owner shall ensure that the proposed addition to the existing Accessory Building (20' x 100' lean-to) shall be located and developed in strict conformance with the plans and information submitted with this application and the applicable provisions of Land Use Bylaw #1348-24.
2. That the applicant/owner is responsible for identifying any soil related issues that may affect the proposed building, and if any soil related issues are identified the applicant/owner shall provide to the County in writing the mitigation measures proposed to be used to ensure a safe and structurally sound building site.
3. That the Accessory Building shall not be used as a dwelling or for commercial purposes.
4. That the applicant/owner shall be responsible for conducting all required utility locating to Utility Safety Partners.
5. That failing to conform to the aforementioned conditions would render this permit null and void.

Furthermore, the applicant is advised:

1. That approval of this application does not excuse the applicant from ascertaining and complying with the requirements of other municipal bylaws, easements, environmental reserve easements, covenants, conservation agreements, development agreements, or Provincial or Federal statutes, regulations and/or standards or codes of practice.
2. That this development permit is not valid if it is suspended or cancelled, or if an appeal of the approval is made to the Land and Property Rights Tribunal (LPRT) in accordance with the *Municipal Government Act*, RSA 2000, Chapter M-26 as amended, or if the development that is the subject of the development permit is not commenced within twelve (12) months from the date of the issuance of the development permit or after that time if in the opinion of the Development Authority the development is not carried out with reasonable diligence.
3. The proposed development may be affected by a permanent, naturally occurring body of water or watercourse. The Province has an interest in the Crown ownership of Provincial waterbodies/or Public Land boundaries in Alberta. **Development or**

water diversion may not occur in waterbodies including wetlands, watercourses, or Public Lands without prior consultation and approval from Alberta Environment and Protected Areas. If you have any questions about development on or near water bodies, watercourses, or public land please contact Alberta Environment and Protective Areas prior to undertaking any activity within or near the wetland.

4. That the proposed building should be developed with positive drainage so that any surface water is directed away from the building.
5. That a separate development permit approval and the necessary safety code permit approvals are required for any proposed future development (i.e. Shipping Container, Accessory Building, change in use, etc.). Please contact the County of Minburn Planning Department at 780-632-2082 or planning@minburncounty.ab.ca for further information.
