- 2) The Municipalities shall make all reasonable efforts to resolve all disputes by negotiation and agree to provide, without prejudice, open and timely disclosure of relevant facts, information and documents to facilitate negotiations.

- 6) Despite Section G(4), where an existing intermunicipal agreement has a binding dispute resolution process included the process in the existing intermunicipal agreement shall be used instead of the dispute resolution outlined in this Framework.
- 7) A Municipality shall give written notice ("Dispute Notice") to the other Municipality of a dispute and outline in reasonable detail the relevant information concerning the dispute. The Municipalities shall meet with the mediator at such reasonable times as may be required and shall, through the intervention of the mediator, negotiate in good faith to resolve their dispute. All proceedings involving a mediator are agreed to be without prejudice and the fees and expenses of the mediator and the cost of the facilities required for mediation shall be shared equally between the Municipalities.
- 12) In the event that:
