"SCHEDULE A"

This Schedule "A" forms part of, and is valid only, if attached to the Notice of Decision for Development Permit # 2026-10.

The following conditions apply:

1. That the applicant/owner shall ensure that the development of the proposed Intensive Agriculture (Garon Apiaries) is undertaken in conformance with the approved plans and information submitted with this application and the applicable provisions of Land Use Bylaw #1348-24.
- 2. That the maximum number of beehives located on the subject lot shall be five (5).**
3. That any proposed future development, intensification, or change of use of the subject site would require a new development permit application.
4. That the applicant/owner shall keep the bees and hives in accordance with all applicable standard of care and maintain the bees to prevent swarming, aggressive behavior, and disease.
5. That failing to conform to the aforementioned conditions would render this permit null and void.

Furthermore, the applicant is advised:

6. That approval of this application does not excuse the applicant from ascertaining and complying with the requirements of other municipal bylaws, easements, environmental reserve easements, covenants, conservation agreements, development agreements, or Provincial or Federal statutes, regulations and/or standards or codes of practice. ***In this regard, the applicant/owner shall operate the development in accordance with the Bee Act and its regulation.***
7. That this development permit is not valid if it is suspended or cancelled, or if an appeal of the approval is made to the Intermunicipal Subdivision and Development Appeal Board (ISDAB) in accordance with the *Municipal Government Act*, RSA 2000, Chapter M-26 as amended, or if the development that is the subject of the development permit is not commenced within twelve (12) months from the date of the issuance of the development permit or after that time if in the opinion of the Development Authority the development is not carried out with reasonable diligence.
8. That the proposed development may result in a change in the assessment and taxes for the subject property. Please contact Municipal Assessment Services at 780-939-3310 with regards to any questions about assessment.

9. That the business, Garon Apiaries, is listed on the County of Minburn's business directory at www.minburncounty.ab.ca. Please advise planning@minburncounty.ab.ca of any future changes/revisions to your business listing.
10. That a separate development permit approval and the necessary safety code permit approvals are required for any proposed future development (i.e. Accessory Building, change in use, additional beehives, etc.). Please contact the County of Minburn Planning Department at 780-632-2082 or planning@minburncounty.ab.ca for further information.
