

## Community Investment Program 2025 Year in Review

The County of Minburn's Community Investment Program, officially launched in 2025, provides funding to local organizations, events, and initiatives that enhance quality of life and deliver public benefits within the County. The program is designed to strengthen community engagement by supporting projects that encourage participation and celebrate important milestones. The following applications were received in 2025, contributing to over \$25,000 in municipal funding and several non-financial donations provided to local organizations:

| Organization  | Type of Group      | Event  | Amount/Donation    |
|---|--------------------|--|--------------------|
| Heather Curling Club                                  | Non-Profit Group   | Curling Bonspiel                                 | Gift Basket        |
