

PUBLIC WORKS TRANSPORTATION SECTOR

POLICY: DUST CONTROL WITH OIL ON ROADS
IN FRONT OF FARMYARD SITES

POLICY NO.: PW 10
POLICY EFFECTIVE: June 26, 1989

The County of Minburn No. 27 may provide dust control on County roads fronting yard sites at the request of a resident subject to the following conditions:

- a) Maximum distance to be dust controlled is areas of 900 feet long by 24 feet wide;
- b) That each area 300 feet long by 24 feet wide, there shall be a charge of \$2,520.00 includes G.S.T. (*per application*) to the applying resident; or
- c) Where a yard site is situated near an intersection, dust control on the road fronting (*300 feet*) and flanking (*300 feet*) the yard, there shall be a charge of \$2,520.00 includes G.S.T. (*per application*);
- d) Payment shall be made in advance on a pre-paid basis, by the applying resident, to the County Administration Office in Vegreville;
- e) If possible, the applications received will be grouped to allow more than one project in a specific area;
- f) The County reserves the right to limit the amount of applications per year;
- g) Dust Control applications accepted until May 18. After May 18, the Superintendent of Public Works has discretion to accept applications.
- h) Calcium cannot be applied to previous oil dust controls. Some exceptions may apply with the approval of the Superintendent of Public Works.
- i) **Dust control services will be maintained or reclaimed to gravel at any time deemed necessary at the discretion of the Superintendent of Public Works.**

Any previous policy relative to Dust Control on roads in front of yard sites is hereby rescinded.

Note: Prescribed application form is attached to Policy PW 10.
