

Strategic Plan 2026–2030 at a glance

OUR VISION

A thriving and resilient rural county where opportunity, stewardship, and quality of life make the County of Minburn a place where residents and businesses succeed and grow.

OUR MISSION

Working together to provide essential services through responsible stewardship, ensuring a resilient and sustainable future for our community.

OUR VALUES

Fiscal responsibility

Careful management of public funds, safeguarded for future generations.

Reliable services

Essential services delivered with consistency, quality, and accountability.

Informed decision making

Decisions grounded in facts, evidence, and careful consideration.

Responsible growth

Welcoming residents and businesses while protecting our land and rural character.

Transparency

Open, honest communication about decisions, priorities, and public resources.

STRATEGIC PRIORITIES

In the order ranked by Council, July 2026

1

PRIORITY ONE Core services and infrastructure

-  Reliable road and winter maintenance, and renewal of hamlet water and wastewater infrastructure
-  Regional partnerships that improve infrastructure, service delivery, and address shared challenges
-  Organizational capacity through investment in people, processes, technology, and resources
-  Well-maintained municipal facilities through asset stewardship and long-term planning

2

PRIORITY TWO Agriculture, economy and growth

-  A strong agricultural sector, preserving the rural lifestyle and working landscapes that define the County
-  A stronger local economy by attracting new residents and businesses and supporting existing enterprises
-  Up-to-date statutory planning documents that support responsible, sustainable development

3

PRIORITY THREE Community leadership

-  Transparent, timely communication about services, decisions, and financial stewardship
-  Accessible ways for residents of all ages to engage, participate, and stay informed
-  Hamlet and community amenities that reflect local needs and long-term sustainability
-  Strong advocacy for County residents at the Federal, Provincial and Regional levels
